LAC NEXT GENERATION UPDATE

One of the things kids love to do is ask questions at inconvenient times. As the election is quickly approaching, it is more than likely that kids will be exposed to various advertisements and opinions and may ask pertinent questions. In some sense, responding with our position and perspective is simple. However, these can be opportunities to redirect kids to the person and work of Jesus. So what does that mean practically? This [resource](#) provides some helpful insight for navigating the conversation.

We're praying for you and thankful for the opportunity to partner together in Jesus' life-transforming work.

LAC KIDS

Kids in Grades K-4, join us for a fall party on **October 9**, 6:30PM, at LAC. We'll have a fall themed night of fun and fellowship. Registration is required by clicking [HERE](#) by October 5.
