LAC NEXT GENERATION UPDATE

LAC PRESCHOOL | Welcome to Fall Y'all! It is so exciting to start a new season, new school year, and so many other things. With preschoolers especially, there are so many new events, new skills, new lessons, new observations, and so much more. Take time to marvel at these new experiences with your child. Try to see the wonder and excitement through their eyes. This just doesn't get old, and we thank God for all these amazing moments we have with the preschoolers.

We are going old school this month with songs from the past. We will learn what it means to be fishers of men. We will also learn the names of the 12 disciples Jesus first called to be His friends. There will be lots of fish activities and crafts this month.

Next month we are planning to have a good old fashioned hoedown with the preschoolers and their families. If you think that sounds like fun and would like to help us pull this all together, by helping with decorations, snacks, or activities, we would love your help. Please contact Patty Schappell as soon as possible!

We are still in **need of two caregivers** for Minis for the youngest of our children in the nursery. We meet every other Tuesday from 9-11:30AM starting September 10. We do compensate our caregivers. If you are ready to love on these babies and show them and their moms the love of Jesus, please reach out to me so we can talk, pschappell@lanastercma.org.

TONIGHT, we are starting our fall series for kids in Kindergarten through 12th grade. Join us downstairs at 6:30PM.
