Parents,

It's hard to believe that summer is over, and we are fully immersed in fall. We're excited about what this new season brings and thankful for the opportunity to have a role in Jesus' work in your family. We're reaching out to you today to make you aware of additional ministry opportunities for your family to prayerfully consider.

The first one is something most of you are aware of. **LIFE Conference** is our denominational youth conference that takes place every three years and is designed for **students entering into 9th grade in Fall 2025**. This year, the conference will take place on **July 3-9**, with the **primary fundraiser on March 22**, in Indianapolis. It looks to be a positive opportunity for students to grow and mature in their faith journey with Jesus. Although the event is expensive, students participating in our fundraising opportunities often pay little beyond the deposit. To hear a little more about LIFE Conference 2025, [click here](#).

A second opportunity will be a first-time experience for LAC Students. On **October 25-27, 7th-12th grade students** will be able to participate in the **Philadelphia Project**. The Philadelphia Project is a para-church organization that provides mercy and service opportunities. Their "Blitz Weekends" provide a time to come together for intentional worship and teaching on Friday and Saturday evenings. Students will serve on Saturday alongside church partners, mercy partners, and our homeowners as we seek to serve the community. Sunday morning, we plan to attend an Alliance Church in Philadelphia. Because we see the significant value in both of these events for your students to participate in, we are taking steps to reduce the cost for those who are participating in both events.
